Barracuda / Suspension / Control Arms, Sway Bars & Parts

Picture	Product name	Description	SKU	CAD
	1964-1969 Upper Control Arm Mount - LH	If you are having difficulty maintaining proper front end alignment, be sure to check the mounting points for your suspension. This set is a direct replacement for the control arm located in the "horseshoe". We have found that these tend to deteriorate pretty badly on cars that sat for long periods of time.	BAICMM8184	428.38
	1964-1969 Upper Control Arm Mount - PR	If you are having difficulty maintaining proper front end alignment, be sure to check the mounting points for your suspension. This set is a direct replacement for the control arm located in the "horseshoe". We have found that these tend to deteriorate pretty badly on cars that sat for long periods of time.	BAICMM8186	734.14
	1964-1969 Upper Control Arm Mount - RH	If you are having difficulty maintaining proper front end alignment, be sure to check the mounting points for your suspension. This set is a direct replacement for the control arm located in the "horseshoe". We have found that these tend to deteriorate pretty badly on cars that sat for long periods of time.	BAICMM8185	428.38
