Barracuda / Engine & Compartment / Engine Block/Mounts & Parts

Picture	Product name	Description	SKU	CAD
	1964-1972 Engine Swap Motor Mount Set	Swap out your Slant 6 for a small block, big block or Hemi V8 with these engine swap motor mount sets. Each set includes engine mount brackets, engine mounts and hardware. Motor mount conversion only; other parts required to complete conversion. Made in the USA Note: *Swap requires custom headers/exhaust system. Currently there are no manifolds or headers manufactured for this swap Call for multiple colours, styles or patterns or choose online	BAICMN1940	273.82
	1964-1974 Breather Cap Grommet	Factory service replacement breather cap grommet to fit all Mopar engine applications.	BAICMN1054	16.78
	1964-1974 Crank Key Set (All Engines)	Brand new crankshaft key package which is used to locate the crank sprocket on the nose of the crankshaft. 2-piece set.	BAICMN1093	10.06
Early Birds Order Hotline: 1 800 463 0546				
	1964-1974 Engine Support Bracket Bolt Set - 6Pc	These factory style bolts attach your engine support brackets to the motor mount ears on the side of your engine block. US made from high strength steel, this set features correct thin style washers and fine thread bolts as original. Perfect for high horsepower applications. One kit contains six bolt/washer/nut assemblies, enough for both sides of the engine.	BAICMN2415	53.74
	1964-1974 Mopar Crankshaft "Oil Slinger" (All Engines)	Factory service replacement crankshaft oil slinger for all Mopar V8 engine applications. Mounts between the harmonic balancer and the front of the crankshaft on all Mopar V8 engines. The oil slinger protects the engine in two ways- by keeping excessive oil away from the crankshaft front seal and also by forcing oil back onto the timing chain, keeping it properly lubricated even under heavy load.	BAICMN1143	41.98
	1964-1974 Motor Mount Bolt (V8) - PR	This bolt installs directly in the center of the motor mount bracket to attach it to the frame mount. Made from steel like original. Sold as pairs	BAICMN2154	55.42
	1964-1974 Motor Mount Nut (V8) - PR	This nut installs a bolt directly in the center of the motor mount bracket to attach it to the frame mount. Made from steel like original. Sold pairs.	BAICMN2155	15.10
				

	1964-1974 Oil Pan Bolt Set (V8)	Complete set of bolts required to mount the oil pan to all 1960-76 Mopar V8 engines (including Hemi). Bolts are black oxide coated to prevent rust. Bolts feature 5/16"-18 thread and are 9/16" in length and all bolts include washers.	BAICMN1062	25.18
	1964-1974 Oil Pan Drain Plug	Factory replacement oil pan drain plug and gasket for all 1960-76 Mopar models. Each OE drain plug also includes the correct gasket.	BAICMN1064	21.82
	1964-1974 Oil Pan Drain Plug Gasket (1/2")	This is a correct replacement gasket which is used to seal the oil pan drain plug and keep it from leaking. Be sure to replace the gasket whenever replacing the drain plug.	BAICG8757	10.06
	1964-1974 Oil Pressure Sending Unit	An oil pressure sending unit is an electrical or mechanical sending device that sends information to the oil light.	BAICMN1742	15.10
	1964-1974 PCV Valve Grommet (1/2")	Service replacement PCV valve grommet for 1961-74 Mopar models. This grommet measures 1/2" outer diameter and will fit openings of this size in the valve cover.	BAICMN1051	11.74
	1964-1974 PCV Valve Grommet (3/4" ID x 1 1/4" OD)	Correct grommets which insert into the valve cover where the PCV or air cleaner to valve cover elbow is inserted.	BAICT4998	5.02
	1964-1974 Stock Style Oil Pan (273,318,340)	Replacement steel oil pan for 1964-76 Mopar Small Block engines. This is a stock capacity oil pan. Each pan is produced using heavy gauge raw steel (un-coated). Includes drain plug. Gasket not included.Applications:1964-69 273ci Engine1967-76 318ci Engine1968-73 340ci Engine	BAICMD1653	167.98
	1966-1969 Oil Dipstick & Tube Set (small block)	Reproduction oil dipstick and tube assembly for 1966-69 Mopar Small Block engines. Designed and manufactured to replicate the original exactly, this reproduction offers a truly authentic appearance.	BAICMD2338	67.18
	1966-1969 Oil Dipstick (small block)	Replacement oil dipstick for 1966-69 Mopar Small Block engines. Designed and manufactured to replicate the original cosmetically, this replacement offers a like-factory appearance. Dipstick only.	BAICMD2339	50.38
	1966-1969 Oil Dipstick Tube (small block)	Replacement oil dipstick tube for 1966-69 Mopar small block engines. Designed and manufactured to accurately clone the original for a like factory appearance. Dipstick tube only, dipstick sold separately.	BAICMD2340	18.46
				

	1966-1969 Valve Cover Breather (OE-Style Chrome)	Outstanding quality reproduction breather, for use with 1966 Hemi models with clean air package and all 1967-69 High-Performance 340ci, 383ci, 440 and Hemi engines. Produced to OE dimensions, each features high quality chrome with correct internal screen mesh and proper style "OIL" lettering on top of the breather.	BAICMD2325	151.18
	1967-1968 OE-Style Valve Covers (383 Hi-Po, Chrome) - PR	These OE style valve covers have been test fitted by skilled restoration professionals to ensure a quality fit when they were produced from new tooling. Made from heavy gauge steel like originals (chrome). Fits all big block V8	BAICMN2534	503.98
	1967-1969 A-Body Oil Dipstick & Tube (big block)	Premium quality reproduction oil indicators and tube assembly. Handle ends are formed and finished like original parts. Anti-rattle bends are included and ADD-FULL marks are accurately embossed. Indicator ends include 90 degree twist when applicable.	BAICMD3333	26.86
	1967-1969 A-Body Oil Dipstick Tube (big block)	Replacement oil dipstick tube for 1967-69 Mopar A-body cars with big block engines. Designed and manufactured to accurately clone the original for a like factory appearance. Dipstick tube only, dipstick sold separately.	BAICMP700250	65.50
	1967-1971 Stock Style Oil Pan (383,440,426)	Reproduction steel oil pan for 1964-72 Mopar Big Block engines. This is a stock capacity oil pan. Each pan is produced using heavy steel and comes unpainted. Includes drain plug and drain plug washer. Oil pan gasket is not included. Applications: 1964-71 383ci Engine 1966-72 440ci Engine 1964-71 426ci Hemi Engine	BAICMD2333	183.10
 <small>Sample image only, actual part may differ</small>	1967-1974 Harmonic Balancers	Brand new harmonic balancer designed to fit all stock and crate Mopar engine applications. Balancer features universal 6-bolt front pulley mount. Call for multiple colours, styles or patterns or choose online	BAICMN1088	839.98
 <small>Sample image only, actual part may differ</small>	1967-1974 Motor Mounts (O.E Style) - 8Cyl	Original-style motor mounts for various 1962-76 Mopar models. These rubber-insulated motor mounts are ideal for stock or lightly modified applications Call for multiple colours, styles or patterns or choose online	BAICMM2266	11.74
	1968 & 1970 426 Hemi Valve Cover Set	Premium quality complete set of 20 studs and nuts to fit 1966-70 426 Hemi heads to retain factory valve covers. These have the correct finish and KEPS nuts. For use with all stamped sheet metal covers.	BAICMN9200	117.58
	1968 & 1970-1971 426 Hemi Valve Cover Nuts - Ea	Premium quality nuts to fit 1966-71 426 Hemi heads to retain factory valve covers. These have the correct finish KEPS nuts. For use with all stamped sheet metal covers. Sold individually.	BAICMN1044	5.02
				

	1968-1969 Oil Dipstick Tube (383,440)	Factory reissue oil dipstick tube. This outstanding reproduction replicates the original in every detail for an authentic appearance.Applications:1968-69 383ci Engine1968-69 440ci Engine	BAICMN1065	89.03
	1968-1971 Hemi Spark Plug Tubes & Seals Set	Service replacement spark plug tube and seal set for Mopar HEMI engines. Spark plug tubes are necessary to create a seal to prevent oil from the valve cover area of the cylinder head from escaping and to protect the spark plugs and wires from oil as they go through the valve cover and into the head. Each complete set includes 8 tubes and seals.	BAICMN1122	217.02
	1968-1971 Oil Dipstick & Tube Set (426 HEMI)	Replacement oil dipstick & tube assembly for 1966-71 Mopar Hemi engines. Each assembly includes the dipstick, dipstick tube, dipstick tube cover and clamp. Designed and manufactured to match the original as closely as possible, this assembly offers a like-factory appearance.	BAICMD2345	134.38
	1968-1971 Oil Dipstick (426 HEMI)	Replacement oil dipstick for 1966-71 Mopar Hemi engines. Designed and manufactured to create a like-factory appearance. Dipstick only, tube sold separately.	BAICMD2341	53.74
	1968-1971 Oil Dipstick Tube (426 HEMI)	Replacement oil dipstick tube for 1966-71 Mopar Hemi engines. Designed and manufactured to replicate the original as closely as possible, this offers a like-factory appearance.	BAICMD2342	36.94
	1968-1971 Oil Dipstick Tube Clamp (426 HEMI)	Replacement oil dipstick tube clamp for 1966-71 Mopar Hemi engines. Designed and manufactured to match the original as closely as possible, offers a like-factory appearance.	BAICMD2344	23.50
	1968-1971 Oil Dipstick Tube Cover (426 HEMI)	Replacement oil dipstick tube cover for 1966-71 Mopar Hemi engines. Designed and manufactured to match the original as closely as possible, this cover offers a like-factory appearance.	BAICMD2343	28.54
	1969 OE-Style Valve Covers (big block) - PR	These OE style valve covers have been test fitted by skilled restoration professionals to ensure a quality fit when they were produced from new tooling. Made from heavy gauge steel like originals (unpainted). Fits all big block V8	BAICMN2536	335.98
	1969-1974 Valve Cover Grommet Set (Big Block)	Set of grommets for cast aluminum valve covers for big block Mopar V8 models.Applications:1960-71 Mopar 383ci Engine1972 Mopar 400ci Engine1960-65 Mopar 413ci Engine1963-64 Mopar 426ci Wedge Engine1966-76 Mopar 440ci Engine	BAICMN1050	33.58
	1970 OE-Style Valve Covers (340-6BBL) - PR	These OE style valve covers have been test fitted by skilled restoration professionals to ensure a quality fit when they were produced from new tooling. Made from heavy gauge steel like	BAICMN2528	335.98

original (unpainted) For 1970 AAR 'Cuda and Challenger T/A models

1970 OE-Style Valve Covers (big block) - PR

These OE style valve covers have been test fitted by skilled restoration professionals to ensure a quality fit when they were produced from new tooling. Made from heavy gauge steel like originals (unpainted). Fits all big block V8. 1971 models through 12/1970 used 1970-style valve covers.

BAICMN2537
