connector pins to prevent corrosion and failure. Boards with voltage limiters also feature fully soldered socket connections instead of the faulty press-on connections that where originally used. Each board is fully tested for quality assurance.

1967-1969 Dash Circuit Board (W/Rallye Dash) - RH

These dash circuit boards are made from heat and flame resistant fiberglass material for improved strength and better bonding with the copper traces. All boards feature nickel plated connector pins to prevent corrosion and failure. Boards with voltage limiters also feature fully soldered socket connections instead of the faulty press-on connections that where originally used. Each board is fully tested for quality assurance.

BAICMA118510 85.66

1967-1969 Mopar A-Body Oil/Brake Light Housing

This is an exact reproduction of the original Brake/Oil housing used on 1967-71 Mopar A-Body Vehicles. This part fits and functions just like the original and includes the red lens and the cluster housing to Brake/Oil light housing gasket. For use with Dart, Dart Sport, Demon, Duster, Lancer, Scamp and Valiant models.

BAICMA679 50.38

1967-1969 Push In Style Gauge Cluster Limiter (Good Quality)

This replacement voltage limiter is designed to provide a constant 5-volt supply and circuit protection up to 18-volts. This limiter will work with reproduction gauges, as well as factory gauges, and it's required when using reproduction gauges in order for them to work properly.For models with "push in" style circuit board limiters.Applications:-1967-71 A-body-1966-70 B-body

BAICMB2000A 134.38

1967-1969 Push In Style Gauge Cluster Limiter (Premium Quality)

This replacement voltage limiter is designed to provide a constant 5-volt supply and circuit protection up to 18-volts. This limiter will work with reproduction gauges, as well as factory gauges, and it's required when using reproduction gauges in order for them to work properly.For models with "push in" style circuit board limiters.Applications:-1967-71 A-body-1966-70 B-body

BAICMB2000B 134.38

1967-1969 Rallye Dash Gauge Lens Set

1967-71 A-Body Rallye dash cluster lenses. Original outer lenses that are scratched, cloudy, yellowed or covered in overspray can be very difficult to see through and even more difficult to repair. Applications are available for 1967-69 Barracuda and Rallye dash equipped vehicles such as 1970 Dart Swinger 340, 1970-71 Duster 340 and 1971 Demon 340.Note: Original lenses were accented with satin black in the chrome center. These have a chrome center, but black accent can be painted on for a more original look.

BAICMA562 552.70

1967-1969 Rallye Dash Indicator Lens Set

1967-71 A-Body Rallye dash indicator lenses. Applications are available for 1967-69 Barracuda and Rallye dash equipped vehicles such as 1970 Dart Swinger 340, 1970-71 Duster 340 and 1971 Demon 340.

BAICMA564 67.18

1967-1969 Rallye Dash Reset Knob

1967-71 A-Body Rallye dash reset knob. Applications are available for 1967-69 Barracuda and Rallye dash equipped vehicles such as 1970 Dart Swinger 340, 1970-71 Duster 340 and 1971 Demon 340.

BAICMA563 53.74

	1967-1969 Rallye Dash Tachometer (0@5 o'clock position)	Restore the instrumentation in your 1967-71 A-body vehicle with a brand new reproduction tachometer. Our new tachometer is a correct reproduction of the original in external appearance, but is updated internally with modern electronic technology that allows it to work with many different types of ignition systems including breaker point ignition, electronic ignition, even MSD or Pertronix ignition systems. These features make it the ultimate bolt-in solution to your missing or inoperative original tach. Applications are available to fit 1967-71 A-body vehicles equipped with Rallye dash including 1967-69 Barracuda, 1970 Dart Swinger 340, 1970-71 Duster 340 and 1971 Demon 340.	BAICMA1525	335.98
	1967-1969 Rallye Dash Tachometer (0@8 o'clock position)	Restore the instrumentation in your 1967-71 A-body vehicle with a brand new reproduction tachometer. Our new tachometer is a correct reproduction of the original in external appearance, but is updated internally with modern electronic technology that allows it to work with many different types of ignition systems including breaker point ignition, electronic ignition, even MSD or Pertronix ignition systems. These features make it the ultimate bolt-in solution to your missing or inoperative original tach. Applications are available to fit 1967-71 A-body vehicles equipped with Rallye dash including 1967-69 Barracuda, 1970 Dart Swinger 340, 1970-71 Duster 340 and 1971 Demon 340.	BAICMA1524	335.98
	1970-1971 Rallye Clock	Reproduction in-dash clock for 1970-71 Dodge Challenger and Plymouth Barracuda / 'Cuda models equipped with the optional Rallye gauge package. Manufactured with meticulous attention to detail, each clock features correct numerations, fonts and proper red hour and minute hands and white second hand as original. Officially licensed Mopar Authentic Restoration Product.	BAIC1277452	671.98
	1970-1971 Rallye Gauge Clock Reset Cable	Restore the instrumentation in your 1970-71 E-body with a brand new reproduction clock reset cable (nut not included). This cable is for 1970-71 models equipped with the reset knob that protrudes through the outer dash bezel. Fits 1970-71 Rallye gauge equipped E-body vehicles. Note: Identification of gauge cluster is important. On 1970-71 models, the dash reset knobs protrude through the outer bezel of the gauge. On the 1972-74 models, the reset knobs protrude directly out of the gauge face through the clear plastic lens.	BAICME1493	191.50
	1970-1971 Rallye Gauge Clock Reset Cable Nut	Restore the instrumentation in your 1970-71 E-body with a brand new reproduction clock reset cable and cable nut. This cable is for 1970-71 models equipped with the reset knob that protrudes through the outer dash bezel. Fits 1970-71 Rallye gauge equipped E-body vehicles. Note: Identification of gauge cluster is important. On 1970-71 models, the dash reset knobs protrude through the outer bezel of the gauge. On the 1972-74 models, the reset knobs protrude directly out of the gauge face through the clear plastic lens.	BAICME1540	53.74
	1970-1971 Rallye Gauge Outer Lens (w/o reset knob holes)	We offer new lenses that are exact reproductions of the original in every detail. These reproduction lenses and replacement light tubes. Also available are new housings, gauge indicator lenses and replacement light tubes. Applications are available to fit 1970-74 Rallye gauge equipped E-body vehicles including Barracuda, 'Cuda and Challenger. Note: Identification of gauge cluster is important. On 1970-71 models, the dash reset knobs protrude through the outer bezel of the gauge. On the 1972-74 models, the reset knobs protrude directly out of the gauge face through the clear plastic lens.	BAICME1479	524.14
	1970-1971 Rallye Gauge Rest Knobs (W/Screw) - PR	Restore the instrumentation in your 1970-71 E-body with a brand	BAICME1481	75.58

new reproduction clock or odometer reset knobs (Short style). Features correct chrome finish and ribbed knobs. Note: Identification of gauge cluster is important. On 1970-71 models, the dash reset knobs protrude through the outer bezel of the gauge. On the 1972-74 models, the reset knobs protrude directly out of the gauge face through the clear plastic lens. Sold in pairs

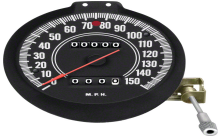

1970-1971 Rallye Gauge Set

A complete gauge package for 1970-71 E-body models covering Challenger, Barracuda and 'Cuda. Each gauge is meticulously reproduced to offer an original and authentic appearance. This complete kit includes the Speedometer, Tachometer, Clock, Oil gauge, Temperature gauge and Ammeter gauge. This unique, "all-in-one" set of gauges is designed to allow the replacement of all gauges on any original dash gauge bezel.

BAICRM4127

1679.98

1970-1971 Rallye Speedometer

Reproduction of the original speedometer use on 1970-71 Challenger and other E-body models. This reproduction gauge with white markings is manufactured to exact factory specifications and designed to replace the original gauge.

BAIC1277446

671.98

1970-1971 Standard In-Dash Tachometer

Add a tach to the instrumentation in your standard gauge equipped 1970-71 E-body vehicle. If you'd like to have a tach in your car, but want to retain a factory appearance, our new non-Rallye in-dash tachometer is the bolt-in solution. Bolts in the blank panel on the far right of the instrument panel where the block-off plate or optional clock would normally go. This tachometer is manufactured to work many different types of ignition systems including breaker point ignition, electronic ignition, even MSD or Pertronix ignition systems. Easy installation instructions are included. Will fit standard dash equipped E-body vehicles including 1970-71 Barracuda and Challenger.

BAICME1316

337.66

1970-1974 Barracuda 120 MPH Speedometer Gauge

Reproduction 120 MPH speedometer for 1970-74 Plymouth E-body Barracuda, Cuda and and 1971-74 Challenger models. Manufactured to exact specifications including correct color, lettering and fonts.

BAIC2984964

655.18

1970-1974 Barracuda Standard Amp Meter Gauge

Reproduction amp meter gauge for 1970-74 Plymouth E-body Cuda and Barracuda models and 1971-74 Challenger models. Replace your defective or inoperative factory gauge with this quality OER reproduction.

BAIC2984121

201.58

1970-1974 Barracuda Standard Clock Delete Plate

Reproduction clock delete plate for 1970-74 'Cuda and Barracuda models and 1971-74 Challenger models with standard gauges. This injection molded plate includes the correct markings and takes the place of the dash clock on vehicles that did not include a dash clock assembly.

BAIC2984140

134.38

1970-1974 Barracuda Standard Dash Clock Assembly

Reproduction dash clock assembly for 1970-74 Plymouth E-body Cuda and Barracuda models and 1971-74 Challenger models. Replace your defective or inoperative factory clock with this quality

BAIC2984951

386.38

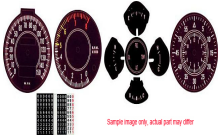

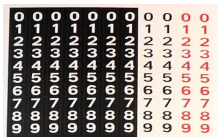

1970-1974 Barracuda Standard Fuel Gauge

Reproduction fuel gauge for 1970-74 Plymouth E-body Cuda and Barracuda models and 1971-74 Challenger models. Replace your defective or inoperative factory gauge with this quality

BAIC2984951

386.38

	1970-1974 Barracuda Standard Fuel Gauge	Reproduction fuel gauge for 1970-74 Plymouth E-body Cuda and Barracuda models and 1971-74 Challenger models. Replace your defective or non operational factory fuel gauge with this quality reproduction.	BAIC2984119	201.58
	1970-1974 Barracuda Standard Temperature Gauge	Reproduction temperature gauge for 1970-74 Plymouth E-body Cuda and Barracuda models and 1971-74 Challenger models. Replace your defective or inoperative factory gauge with this quality reproduction.	BAIC2984120	201.58
	1970-1974 Gauge Decal Sets	These decals are reproduced to duplicate the styles, fonts, and spacing of the original instrument faces. Machine-cut from high quality 3M material and designed to lie flat and wrinkle free. Made with a custom combination of printing and silk screening which results in vibrant markings against a semi-flat background finish. In fact, these are the only decals with an OE finish available on the market Call for multiple colours, styles or patterns or choose online	BAICME175901	85.66
	1970-1974 Odometer Relabeling Set (w/o Rallye Gauges)	Restore your faded or worn odometer with one of these premium numbering sets. Features correct fonts and colors to provide a factory new appearance.	BAICMN960129	21.82
