Outstanding quality and correct plating on all components! Call for multiple colours, styles or patterns or choose online	CLITRE552	64.00

	1970-1974 Park Brake Cable Clip	Reproduction parking brake components for 1962-74 A-body, 1962-74 B-body and 1970-74 E-body vehicles. This cable clip is used to hold the cable in the mounting bracket. The cable slips through the frame bracket hole and the clip sits in the groove of the end fitting to the backside of the bracket. 2 cable clips required.	CLICMD2204	5.02
	1970-1974 Park Brake Cable Guide (Front to Rear)	Reproduction parking brake cable guide for 1967-74 A-body, 1971-74 B-body and 1970-74 E-body vehicles. This cable guide is connected to the front cable. The equalizer slides over the front cable and the cable slides in the valley. This is only on cars with the intermediate cable.	CLICMD2201	10.06
	1970-1974 Park Brake Crossmount Hook	Reproduction parking brake crossmount hook for 1971-74 B-body and 1970-74 E-body vehicles. This hook is located in the center of the transmission cross mount, the end hooks the cross member and the intermediate cable slides freely in the 180 deg. slot. When cable systems get out of adjustment this hook bounces out and is lost forever on the side of the highway.	CLICMD2202	11.74
	1970-1974 Park Brake Equalizer (W/Intermediate)	Reproduction parking brake cable equalizer for 1962-74 A/B/E-body vehicles. Includes nuts	CLICMD2199	10.06
	1970-1974 Park Brake Equalizer (W/O Intermediate)	Reproduction parking brake cable equalizer for 1967-74 A-body, 1966-70 B-body and 1970-74 E-body vehicles. The equalizer is connected to the front cable and allows the system to be adjusted. The equalizer slides over the threaded rod and the cables slide in the 2 slots. Both nuts get tightened together to secure the location of the adjustment.	CLICMD2205	11.74
	1970-1974 Park Brake Long Threaded Hook	Reproduction parking brake threaded hook for 1971-74 B-body and 1970-74 E-body vehicles. This hook is located on the passenger side of the car. The end hooks the body and the intermediate cable slides freely in the equalizer that is adjusted at the threaded end of the hook. When this hook gets a bit rusty the locking nut is nearly impossible to unthread causing the hook to be bent or sheared off.	CLICMD2203	21.82
 <small>Sample image only, actual part may differ</small>	1970-1974 Parking Brake Actuator Levers	Quality reproduction parking brake actuator levers for 10" and 11" rear drum brake applications. Each set includes pressed-in pivot pins, two zinc-plated C-clips, and two zinc-plated wave washers. Manufactured from correct gauge steel and embossed with original details. Call for multiple colours, styles or patterns or choose online	CLICMN431007	78.94
	1970-1974 Parking Brake Strut Levers	Reproduction parking brake strut levers for all 1965-76 Mopar A,B & E-Body models with 10" or 11" rear brake drums. Each set includes parking brake levers and two springs. Right side strut is stamped with an "R" when applicable. If you're doing a brake job, now is the time to replace your parking brake strut levers. Call for multiple colours, styles or patterns or choose online	CLICMN431004	45.34
				

	1970-1974 Rear Axle Parking Brake Cable Clip & Bolt	This reproduction parking brake cable clip secures the right parking brake cable to the rear axle housing on Dana-equipped vehicles, and also secures the left parking brake cable to the vehicle body on some models. Manufactured from correct gauge steel and includes 5/16-18 flange head bolt plated in zinc phosphate.	CLICMN8055	15.10
	1971-1974 Park Brake Connector (intermediate to rear connectors)	This cable connector is needed to connect the intermediate cable to the parking brake cable from each rear wheel. 2 required per vehicle.	CLICMD2200	10.06
	1972-1974 Mopar E & B-body Parking Brake Cable Hardware Kit - 9PC	This kit comes fully equipped with all the supporting hardware needed to complete your parking brake cable installation. Includes: (1) Transmission cross member hook (1) Small hook (2) Cable clips (2) Connectors (1) Cable Guide (1) Equalizer (with nut)	CLITINL13331	67.20
