Chevelle / Stripes and Decals / Stripes & Decals

Picture	Product name	Description	SKU	CAD
	1964-1972 GM Technical Decal Kit	Complete kits are offered to restore your 1930-1981 GM vehicle's engine compartment; cabin; glove box & trunk to their original condition. Kits include items such as air cleaner, valve cover, emissions, vacuum routing hose, tire pressure, coil, oil filter, battery decals and jacking instructions. We also include all glove box stuffers; including items such as battery owner certificates, maintenance schedules, service policies and warranties as they applied to your car. This kit will also include any & all promotional material that existed for your vehicle when it was new. Packages include between 12 and 23 pieces. Disclaimer: All kits are filled to the best of our ability with pieces available. Not all pieces exist but this remains the most complete system offered. Please specify year make and model of your vehicle when ordering a kit.	CHPGMTECH	216.23
	1966 SS 396 Body Codes Decal Kit Vinyl	A new item we have is this body decal kit, unlike what was on the market, this is a vinyl kit and it is pre-cutout. Each decal is labeled where it goes on the body; brake, transmission & fuel line tags, shock & spring tags, brake cable tags, sway bar tags, steering column, door panels, fuel sending unit and filler, speedometer cable, speedometer cluster, throttle cable, brake booster and master cylinder, frame, axle, steering box, alternator, springs, control arms, fan, defroster, splash shields, starter, brakes, battery cables, wiring harnesses, etc. These are vinyl; unlike other kits out there these will not get destroyed when they get wet and fall off. You can safely wash your car and they will stay on. Most of the codes are as accurate as we can get them, but some may differ. We are always improving our kits; we feel that you will be 100% satisfied with what we are selling.	CHPPZBC66A	105.99
