1968-1972 Heater Hose Bracket (fender skirt clip)

This hose clip is designed to secure a pair of heater hoses to the GTIC3770259 inner fender skirt to prevent damage of the hoses and keep the engine compartment neat and tidy in appearance. These were original equipment on a variety of 1960's and 70's GM vehiclesand are an excellent reproduction for restorations. They work equally as well on non-stock applications where a heater hose clip is required.

1968-1972 Heater Hose Brackets (2 piece set)

This hose bracket set is designed to secure a pair of heater GTICK556 hoses to the inner fender skirt and the alternator bracket to prevent damage of the hoses and keep the engine compartment neat and tidy in appearance. These were original equipment on a variety of 1960's and 70's GM vehicles and are an excellent reproduction for restorations. They work equally as well on non-stock applications where a heater hose clip and bracket set is required.
