### Mustang/Cougar / Body Panels / Roof & Hoods

Picture	Product name	Description	SKU	CAD
	1964-1966 A Pillar (Lower Section) - PR	LOWER SECTION	MUD3625L	319.00
	1964-1966 A Pillar Kit (Lower Section, Weld Through Primer) - 6Pc	Excellent quality reproduction manufactured to duplicate the original in both fit and appearance. Weld through primer	MUD3625LWT	366.00
	1964-1966 Mustang Shelby Style Fiberglass Hood Scoop (Bolt on)	Make your stock hood look like a 1965-66 Shelby with a "bolt on" Shelby style GT 350 hood scoop. This hood scoop is a great replacement for your original Shelby GT350 hood scoop or as an upgrade for your 1964-66 Mustang. The mounting location is 2" from the rear edge of the hood. This fiberglass piece will require prepping, priming and painting prior to installation. The installation requires drilling eight holes into the hood to mount to molded studs.	MUIC16025F	198.22

	1964-1966 Mustang Shelby Style Fiberglass Hood Scoop (Bond on)	Make your stock hood look like a 1965-66 Shelby with a "bond-on" Shelby style GT 350 hood scoop. This hood scoop is a great way to upgrade or customize your 1964-66 Mustang. The mounting location is approximately 2" from the rear edge of the hood. This fiberglass piece will require professional installation by bonding or riveting the scoop to the hood.	MUIC16025	112.54
	1965-1966 HOOD	Excellent quality reproduction manufactured to duplicate the original in both fit and appearance.	MUD3641	349.00
	1965-1966 Mustang GT350 Stamped Steel Hood Scoop	Add the authentic look of a Shelby GT350 hood scoop to any 1965-66 Mustang with this new stamped steel GT350 style hood scoop. This perfectly contoured hood scoop design is an exact replica of the original GT350 hood scoop. Each stamping is made on new tooling that was created using a digital scan taken from an extremely rare 1966 GT350 all steel hood. The new scoop can be brazed, welded or bonded to an original or aftermarket steel hood with superior results compared to a fiberglass hood scoop. The precision stamped steel form requires less installation work and is easier to blend than a thicker fiberglass scoop. For a more custom appearance, the stamped steel scoops can also be riveted in place like those found on classic Shelby Cobras. Each scoop comes ready to prep and paint with a semi-gloss black finish.	MUIC16025G	246.94

1967 Eleanor Style Shelby Hood (Aluminum)

This OEM-style replacement hood is constructed from premium-quality aluminum and features that iconic Eleanor style and decorative hood scoop. The direct-fit hood will easily replace your Shelby's broken or missing standard hood while giving your classic pony an immediate upgrade in overall style.

MUD3641UB

1726.00

1967 Eleanor Style Shelby Hood (Functioning Scoop)

The Steel Shelby Style Hood has several benefits over a

MUD3641UC

1626.00

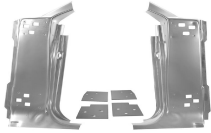

fiberglass hood. The Steel Shelby Style Hood can be installed with ease and allow a better fit and finish right out of the box. You can reuse the original style hood hinge springs. Since the hood shell is stamped the body lines are more defined, which will match the body lines on other body panels.

1967 Eleanor Style Shelby Hood (Steel)

This OEM-style replacement hood is constructed from premium-quality steel and features that iconic Eleanor style and decorative hood scoop. The direct-fit hood will easily replace your Shelby's broken or missing standard hood while giving your classic pony an immediate upgrade in overall style.
