	1969-1973 Mustang 2 Spoke Steering Wheel Emblem	Reproduction of the original 2 spoke steering wheel emblem designed for use on 1969-73 Mustangs. This reproduction is designed to replicate the original in every detail. Includes correct "running horse" logo that fits and installs same as original. For use with woodgrain trim.	MUIC3649AR	28.54
	1970-1973 Mustang 2 Spoke Steering Wheel Pad (Black)	Reproduction of the original 2 spoke steering wheel horn pad designed for use on 1970-73 models. The factory steering wheel pads can wear out over time and become unsightly. This direct-fit replacement includes the correct factory type grain and is designed to cover the spokes of the steering wheel. The horn switch mounts to this pad. Available in black. Paint to desired color. Center pad covers the spokes of the steering wheel. Includes the pad only. Steering wheel buttons and components available separately. Made in the USA!	MUIC3623P	125.98
	1970-1973 Mustang 2 Spoke Rim-Blow Steering Wheel Horn Switch	Reproduction of the original 2 spoke steering wheel horn blow switch designed for 1970-73 Mustangs. The switch fits into the center of the steering wheel behind the horn pad. This is the electrical switch that activates the horn when pressure is applied.	MUIC13A875CR	167.98
	1970-1973 Mustang 2-Spoke 16" Steering Wheel (Black)	This is a high quality reproduction of the original 2 spoke black steering wheel for use on 1970-73 Mustangs. Each steering wheel will replace the original exactly. Steering wheels are manufactured to original factory specifications with injection molded ABS material offering an authentic feel and appearance. Will install using existing hardware.	MUIC3600W3	571.18
				

	1970-1973 Mustang 3 Spoke Steering Wheel Emblem	3 spoke steering wheel emblem manufactured from original Ford tooling. Each emblem features an ABS injection molded acrylic frame with a clear lens and a detailed re-white -blue Mustang "Running Horse" logo. This is the center emblem for 3 spoke style 1970-73 Mustang steering wheels.	MUIC3649L	75.58
	1970-1973 Mustang Deluxe Horn Switch Trim Plate (Woodgrain)	Reproduction of the original horn trim plate designed for the 2 spoke steering wheel and used on various Ford models including 1970-73 Mustangs. Each trim plate is manufactured to factory specifications and designed to replace the original exactly. Includes correct simulated woodgrain insert matching the original trim plate.	MUIC13932A	61.20
	1970-1973 Mustang Horn Switch Vinyl Cover	Reproduction horn switch cover for 1970-73 Mustang models. This horn switch cover is manufactured out of vinyl and features the correct recessed area for the center emblem. Available for standard or deluxe interior Call for multiple colours, styles or patterns or choose online	MUIC3623N	41.98
	1970-1973 Mustang Rim-Blow Steering Wheel Horn Switch	Correct reproduction of the rim-blow steering wheel insert that fits into the groove around the inside rim of the steering wheel. When you squeeze the inner part of the steering wheel, the applied pressure activates the horn. This wiring was installed in the original rim-blow 2 spoke steering wheels	MUIC13A875DR	184.78
