	1968-1972 Air Conditioner Firewall Delete Cover	We've now reproduced the new sleek firewall air conditioning delete cover assembly. This cover will take the place of your firewall evaporator box and clean up the look of your engine compartment. The function of your heater/AC control and inner box with heater core and defrost will still work. This box is only 5" deep so you have more room like non-AC cars. We've made this out of automotive black ABS plastic, and it has a beautiful smooth finish that can be painted if you choose. The cover has all holes pre-drilled for blower motor and mounting. This is unlike some of our competitors fiberglass models that don't have the nice finish or the holes drilled. Instead, they are brittle and wavy. This is the nicest one you will find on the market. You can also use the box for cars going to aftermarket air.	SKPPZFDC6872	207.98
	1968-1972 Evaporator Case	Fits all 1968-72 GM A-Bodies with AC. Goes on the firewall.	SKRPCH25049	383.98
